### **Special Orders**

We are more than happy to provide a separate platter for guests who have a food intolerance or allergy. We will need to be made aware of this requirement on booking, and the platter will be identified with the appropriate label. Please be aware that whilst we take every care to provide food free from the particular intolerance, all food is prepared in the same kitchen area.

There is a £1.50 charge per platter for Special Order platters.

This does not include Vegetarian food ordered.

### **Delivery Charge**

We are more than happy to deliver free of charge in the Halesowen area, however a small delivery charge may be applied for orders outside of Halesowen area.

### **Bookings and Cancellations**

We very much appreciate bookings as early as possible for your meeting, especially if it is for a large number of guests. However, we know this isn't always possible, and we will do our best to accommodate any last minute requests.

As we have our bread and pastries supplied each day freshly baked, we have a 1.00pm deadline for the items we can have delivered for the following day ~ therefore would appreciate your order in by then.

### **Cancellations~**

should you have to cancel a buffet, there will be no charge for cancellation more than 24hours before the booking, for bookings of less than 20 Guests. For larger numbers we will endeavour to waiver some of the costs, but this is dependent on the food that may have been purchased.

Any cancellation after 12.00 Midday, prior to the day of the booking, may include a half charge~ again dependant on the food purchased and whether we can utilise it.

Cancellation on the day of the buffet will incur a Full Charge  
(Obviously you can have the food delivered)
